

Says

What have we heard them say?
What can we imagine them saying?

Metropolitan
tracks the
changes from
the time going
to cp

Metropolitan relating to
something that's
characteristic of a city
especially in
culture,sophistication,or
in accepting and
combining a wide variety
of people,ideas

According to the
indian census
commission, cities in
india with a population
of more then four
million are considered
metropolitan cities of
india

In consonance with
the latest thinking on
the subject matter, an
attempt has been
made to study the
problems of
government in
metropolitan areas

in order that the
metropolitan citoes
do not become a
motley collections
of neighbourhoods
of the affluent and
middle class

india is a federal
republic but the
term "feederal"
does not apper
in the
constitution

Does

What behavior have we observed?
What can we imagine them doing?

Thinks

What are their wants, needs, hopes, and dreams?
What other thoughts might influence their behavior?

making problem
and understand
when and why i
made worgn
decision

Thinking fast and
slow by daviel
kahneman is a
game changing
book that
orovidues
invaluale

This is the most
effective book
which
supported me to
solve my
decision

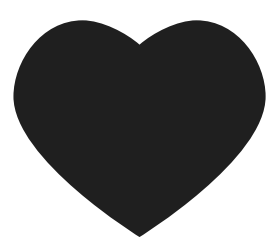

Insufficient
rain low rate
of their
crops

We analyzed based on
various factors to
identify the majority of
women's who reside in
countless cities including
metropolitan cities of india
feel unsafe while going out
to work or while traveling in
public transports

Financial worries,
unpredictable
weather,plant
pests,livestock
diseases and
isolation

Feels

What are their fears, frustrations, and anxieties?
What other feelings might influence their behavior?
